Srila Bhakti Rakshak Sridhar Dev-Goswami Maharaj:

sat-cit-ānandam. The Vallabha Sampradaya said: *sat* is what ordinarily thought of as the matter. *Cit. Sat-cit* — both in *jiva*-soul. And *sat-cit-ānanda* — only in the third thing, that is Lord. *Jiva* has consciousness, but not *ānandam*. Mere consciousness. And *ānanda* is there. *Sat-cit-ānanda* — three in full fledged is there in the cause.

But Mahaprabhu says that *jiva* is an atom of consciousness and has very negligible point of blissfulness. *Sat-cit-ānanda* — three things, only in a very meager way, most negligent degree in *jiva*.
